10. Report: A one day field was organized by Association with Task. .students were escorted by a team of 5 faculty members. Training Program coordinators of Infosys gave briefing about Infosys history and formation, industry expectation and skill requirements for the student's campus placement. The response from the students was awesome; they all enjoyed a lot and had good experience. They not only visited the company, they also got an insight to the corporate world through one of the most successful and value driven companies in the world.
