## Action Taken on Feedback System on Curriculum

Academic Year 2020-2021

The feedback on curriculum by the teachers express that student should be learnt current technologies which are going very fast. The students also expressed that the current technology subjects need to be included such that they are useful to their higher studies or job opportunities and the same is expressed by the employers & alumni. A report has been generated and put as an agenda in the DAC committee for approval.

The following are the activity executed in link with the suggestions given by the committees, due to pandemic most of the courses was conducted online.

- The MOU's with various industries are executed industry and academic.
- Skill Development programs are organized.
- Program on Machine Learning using Python is organized.
- Program on Electric Vehicle is organized.
- More advanced courses in Spoken Tutorials are assigned to the students.
