About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

About the Department:

With an aim to make students industry ready – Initially gaps between academic knowledge and technical skills required by the industry are identified and taught with the best blend of teaching. Students trained are emphasized with practical orientation rather than just academics. Our internal faculty plays an important role in the skill development center especially whose background is from industry, who plan and execute different sessions of training on technical skills required by the industry. This imparted training will make students to face the future challenges and make them industry ready. So it would not be limiting to gaining knowledge but also its usage.

About the Seminar:

The Placement Cell, Scient Institute of Technology has organized a 1-day seminar on IP Clinic a Seminar on IPR in association with NI-MSME on 29/06/2021. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, G.Maruthy Raju, Placement Officer prepared and oriented the students for the seminar. V Swapna, Patent Consultant imparted the fundamentals on IP Clinic seminar. About 112 students of final year attended the seminar and it was advantageous to the students as it gave a clear understanding

About the Department:

With an aim to make students industry ready – Initially gaps between academic knowledge and technical skills required by the industry are identified and taught with the best blend of teaching.Students trained are emphasized with practical orientation rather than just academics.Our internal faculty plays an important role in the skill development center especially whose background is from industry, who plan and execute different sessions of training on technical skills required by the industry.This imparted training will make students to face the future challenges and make them industry ready. So it would not be limiting to gaining knowledge but also its usage.

About the Seminar:

The Placement Cell, Scient Institute of Technology conducted a 1-day seminar to Ignite Innovation thinking in students in association with Telangana Academy for Skill & Knowledge on 13/04/2021. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, S.Naga Jyothi, Assistant Professor, CSE telling the impact of the seminar. Abhimanyu Baradwaj, Telangana Academy for Skill & Knowledge discussed the fundamentals of innovation thinking. About 132 students of CSE attended the seminar and made it a grand success.
