Report on “Operating Systems”

Date: 07.03.2020

The Department of **Computer Science & Engineering** organized the program “**Operating Systems**” in the college on March 06th 2020.

Mrs. B. Prashanthi, Assistant Professor educated the students on the topic of “**Operating Systems**”. She has given a training session on functions of algorithms and commands of Operating Systems. The training was intended to make students aware of certain file systems of Operating System and its architecture.

Training Outcomes:

- Managing the file systems
- Installation of Os

The session was conducted successfully with the coordination of the faculty members of CSE.

Report on “MATLAB BASICS”

Date: 05.10.2019

The Department of **Electronics and Communication Engineering** organized the program “**MATLAB BASICS**” in the college on **04/10/2019**

Mrs. A. Jhansi Rani, Assistant Professor of ECE. She was educated the students on **MATLAB BASICS** to the B.Tech III & IV year ECE and EEE students. Total 112 numbers of students are participated in the session.

Training Outcomes:

To familiarize the student in introducing and exploring MATLAB software's.

- To enable the student on how to approach for solving Engineering problems using simulation tools.
- To prepare the students to use MATLAB in their project works.
- To provide a foundation in use of this software's for real time applications.

Report on “Electrical CAD Training”

Date: 13.02.2020.

The Department of **Electrical and Electronics Engineering** organized the program “**Electrical CAD Training**” in the college on 12.02.2020.

Mr. Md. Abdul Nayeem has conducted a training session on **Electrical CAD** for III Year EEE Students. He has explained different aspects of Electrical CAD. The training was intended to make students aware of designing electrical equipments and electronic products, from microchips & computers to electric power networks and any other products that process information and transmit energy. Total 39 numbers of students are participated in the session.

Training Outcomes:

- Electrical CAD software can automate all design tasks and facilitate drafting productivity.
- Engineers can create electrical schematic, control circuit diagrams, and documentation using industry specific electrical soft tool.
- Training of Electrical CAD.
