Dear G. Marurthy Raju sir,

It was pleasure meeting you and discuss about the Students Awareness Session to be organised at your campus on 05th Feb 2021.

Our Awareness session would be contented with Current Trends, Career Challenges and a great insight knowledge about overseas education, which would be helpful to know and understand the global developments in overseas education.

Requested to arrange Public Address System along with Projector.

Thanks & Regards,

Dear Raju,

Thank you so much for hosting us and to do the Seminar on Ireland Education today. It was pleasure interacting with your students and looking forward to do such more sessions at SCIENT. As discussed if you can arrange a counselling day we will be happy to visit the campus and assist your students for the admissions in various Universities across Ireland, USA, Australia, Canada, UK, France, Germany etc.,.

Looking forward to working with you in future too.

Regards

Srinivasa raju.

Subject: Education Matters Seminar "International Study and Work Opportunities"

Dear Raju,

Greetings from Education Matters,

I am emailing further to the personal meeting my colleague Mr. David Fallon and Myself had with you.

As discussed we look forward to organising a seminar titled "International Study and Work Opportunities" for the final year students of your college. The session will be delivered by Mr. David Fallon – Executive Director of International Relations and myself on 15 Feb 2021 @10.00AM.

In his previous role Mr Fallon worked as an Education journalist in the Irish Radio and Print Media and as a TV presenter for 40 years where he was privileged to interview notable people such President's Clinton, Nelson Mandela and Sarkozy and sports personalities like Michael Schumacher (F1), Tiger Woods (Golf) and Michael Johnson (Athletics). Mr Fallon recently took up the position of Executive Director of International Relations for Education Matters. His main role is working between Irish and Indian education institutions and to establish a proposed India-Ireland Education and Careers Forum and to spread a word about Ireland's economic development, need for manpower, study and work opportunities among young Indian students. We work closely with world class institutions such as TCD and UCC to name a few.

We will require 45 Minutes to One Hour. Our presentation will cover highlights of different study destination, details of qualifying exams, courses and universities, part time and post stud work opportunities, scholarships and application processing.

Education Matters as you are aware is a leading professional international education consulting company established in 2003. We apply an inspirational approach to the world of learning, successfully integrating the process of education and career counselling into a unified vision. Our head office is in Chennai – South India with company owned office in Hyderabad. Our work has the appreciation and best wishes of Prime Minister Shri Narendra Modi and Her Majesty the Queen of England.

Hi Respected Sir/Madam,

Greetings from Manhattan Review..!!

We conduct career guidance sessions related to software development technologies and skills to all Engineering third year and final year students for 45 Minutes. We would like to deliver one such session at your esteemed institute.

So, kindly request you to confirm the date and time for conducting the seminar on GRE, IELTS, TOEFL.

Speaker Name - Noel C

Noel graduated in Information Technology in 2008. After graduation the same year joined ICICI, trained and mentored around 100 people. Then moved successively to Google and was appointed as a SME (Subject matter expert) in Google pay process.

Please find the below details of the topics that we will present in the seminar.

We will provide a career guidance session to students for 45 minutes or according to your provided time availability we will brief the content.

We will talk about:

1. Trending technologies and tools that are used by the Enterprise companies in the IT industry and what could be a right technology to choose as an entry level developer in the market.
2. What are the various sectors in which students can build their career in the IT industry.
3. If time permits, we will show a small project life cycle, how different technologies and tools are used to develop a web application in brief.

Request you to kindly confirm the same in order to take things forward.

Looking forward to hear positive from you.

Thank you....
