## 5.1.4 Details of student grievances including sexual harassment and ragging

The college has established various college level committees like Grievance Redressal Committee Internal Complaint Committee, Anti-ragging committee, Committee for SC/ST students. Disciplinary committee to handle the grievances of students.

During last 5 years, there were neither Anti ranging cases nor the harassment cases. But some of the general grievances were reported by the aggrieved students (in person, through Online or Writing) to the concerned Person In-charge in the Dept. which were acknowledged and resolved.

The following are the details of complaints/grievances received from the students and which were resolved.
