Scient Alumni Association

ABOUT THE ASSOCIATION

The Alumni Association of Scient Institute of Technology was formed in the month of Sep 2020. The association is named as Scient Alumni Association. Alumni get together usually takes place once in every year.

The main objectives behind forming this Alumni Association are :

- To encourage the members to take active interest in Alumni activities.
- To promote career guidance, interaction with industry and continuing education.
- To foster relationship between the alumni and present students.
- To get participation of alumni in the developmental activities of the college
- To provide guest lectures on academics to the present batch of students with a view to exchange the latest development in the field of Engineering and Technology.
- To improve placement opportunities for fellow alumni and fresh graduates.
