ANNUAL E-GOVERNANCE REPORT

The college has emphasized the need for devising suitable measures for quality education. Implementation of robust design for quality assurance has been one of the imperatives for implementing the vision of the institution. The details are mentioned below.

1. ADMINISTRATION :

- I. **ERP:** The College Administration has been equipped with computerized ERP software which has been found to be satisfactory.
- II. **CCTV:** Excellent and modernized coverage of the SNTI campus that includes places like, corridors and canteen which helps the administration to monitor all the discipline issues at the maximum level.

2. FINANCE & ACCOUNTS :

- I. The institution has computerized **TALLY software** for maintaining Finance & Accounts for sustenance and has been found equally satisfactory.
- II. **ERP software** also used for maintaining Finance & Accounts.

3. STUDENT ADMISSION & SUPPORT :

- I. **Library:** ECAP is the first free and open source library automation software for wider access.
- II. **ERP software** is used for student admissions, academics, library management, transport management, Grievance and feedback

4. EXAMINATION :

For Quality Assessment, the College Examination System has been computerized for ensuring quality of the Educational Institution.

- I. **Website:** SNTI maintains and updates its Website on regular basis which is governed by the website committee.
- II. **JNTUH Exam Portal :** A well organized JNTUH exam portal to upload student's attendance and to access student performance.
- III. **ERP :** SNTI uploads student's marks such as lab Internal and External marks in the automation software.

B) CCTV: Excellent and modernized coverage of the SNTI campus that includes places like corridors, class rooms, labs and canteen which helps the administration to monitor all the issues at the maximum level.

2) FINANCE AND ACCOUNTS

Tally : Tally ERP 9 is very popular accounting software used by SNTI, it is very simple to use intuitive and also enables to manage GST compliance, and it also notifies the user.

3. STUDENT ADMISSION AND SUPPORT:

a) Automation: When it comes to the admission process, most of the institutes opt for the traditional approach of publishing an advertisement in the news paper, inviting applications , manually screening applications and documents but SNTI uses highly evolved automation for all the information in a very sophisticated manner the key feature includes generating the id card to the new students and having complete information about the transport facility the student is planning to avail.

b) Library: ECAP is the first free and open source library automation software ,it is designed to manage physical collections of items (books, cd's, videos, reference etc) . In this software, user

SCIENT INSTITUTE OF TECHNOLOGY

Ibrahimpatnam, R.R Dist 501506

(NAAC Accredited, Approved by AICTE & Affiliated to JNTUH)

interface is configured and adaptable and has been translated into many languages it provides cataloging, searching, member/patron management, an acquisition system and circulation (issues, return and reserves) it helps the SNTI students and faculty members in utilizing the library to the maximum level.

4. EXAMINATION:

a) **Website:** SNTI maintains and updates its website on regular basis which is governed by the website committee each and every important event and development is highlighted in college website, college provides link of results to the students in the website for easy accessibility.

b) **JNTUH exam portal:** A well organized JNTUH exam portal to upload student's attendance, to download the JNTUH question papers, to download the hall tickets to upload the marks scored by the students and to know the results.

c) **ERP :** SNTI uploads lab internal and external marks in the automation software which helps the faculty and students to simplify the work by expanding the testing capacity, get faster feedbacks which improves the quality.
