7.1 Institutional Values and Social Responsibilities

7.1.1 Measures initiated by the Institution for the promotion of gender equity during the last five years.

Facilities for women

1. Safety and security:

Surveillance CCTV cameras are installed in the campus for monitoring students' movements into and out of the college. The security personnel are deployed across the college premises for any kind of security incidents/issues and offers strict vigilance. The anti ragging squad regularly monitors at scheduled timings in different places to make the campus ragging-free. The college also has anti-sexual harassment committee to address issues if any.

2. Counseling:

Counseling is arranged by the college for girl students in three major areas i.e. Counseling related to academics, career and behavioral patterns. One faculty member is allotted as a counselor for 20 students. Faculty calls the parent and discusses the academic progress of the ward. Students should meet the counselor once in 15 days. Parents of the students are timely informed wherever the necessity arises such as lack of attendance and poor academic performance.

4. Day care center for young children:

Child care is one of the most effective ways that colleges can help their employees in completing their work without being worried about their child's welfare. SNTI provides an on-campus care center which is much less affordable and high in quality. Over the years, SNTI has maintained the day care with essential products and services. Many faculties in the campus have used this resource of SNTI Day Care Centre.
