

SCIENT INSTITUTE OF TECHNOLOGY

Ibrahimpattanam, R.R Dist 501506

(NAAC Accredited, Approved by AICTE & Affiliated to JNTUH)

EXTENSION ACTIVITIES

Institute NSS Unit and UBA organizes every year the orientation program for the first years to inculcate the importance of community service to sensitize and motivate them to enroll for the said programs. The extension activities by the above programs to inculcate volunteers towards social issues and holistic development in the neighborhood community in terms of impact and sensitizing students.

Faculties of various departments also at regular intervals organizes and motivate the volunteers to participate in various extension activities with a dual objective of not only sensitizing students about various social issues but also contribute to community in terms of projects and strengthen the community by participation like awareness programs, health camps etc.

NATIONAL SERVICE SCHEME(NSS)

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. NSS is an extension dimension to the higher education system to orient the student youth to community service while they are studying in educational institutions. It is being implemented by the Ministry of Youth Affairs and Sports, Government of India.

MOTTO OF NSS

The motto of National Service Scheme is "NOT ME BUT YOU" This express the essence of democratic living and up holds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. It underlines that the welfare

of an individual is ultimately dependent on the welfare of society as whole. Therefore it should be the aim of the NSS to demonstrate this motto in its day-to-day programme.

LOGO OF NSS

The NSS symbol is based on the "Rath" wheel of the Konark Sun Temple situated in Odisha. The navy blue color indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind. The Red color in the badge indicates that the NSS volunteers are full of blood i.e. lively, active, energetic and full of high spirit. The giant wheels of the Sun Temple portray the cycle of creation, preservation and release, and signify the movement in life across time and space.

AIMS & OBJECTIVES OF NSS

The main aim of NSS is to develop the personality of students through Community service. The objectives of NSS are:

- To understand the community in which they work;
- To understand themselves in relation to their community;
- To identify the needs and problems of the community and involve them in problem solving process.
- To develop among themselves a sense of social and civic responsibility;
- To utilize their knowledge in finding practical solution to individual and community problems;
- To develop competence required for group-living and sharing of responsibilities;
- To gain skills in mobilizing community participation;
- To acquire leadership qualities and democratic attitude;
- To develop capacity to meet emergencies and natural disasters; and
- To practice national integration and social harmony

AWARDS AND RECOGNITIONS BAGGED BY SCIENT

2023-24

Date – 15/03/2024

To whomsoever it may concern

Subject :Thank you for supporting the Student Solar Ambassadors 2024 by the Energy Swaraj Foundation

The world faces the **Energy Paradox**, wherein more energy is required for fast-paced economic growth, while carbon emissions from fossil energy are causing catastrophic climate change. Realizing that energy is the primary culprit of climate change, the **Energy Swaraj Foundation is pushing towards 100%renewable energy future.**

Energy Swaraj Foundation had organized the **Student Solar Ambassador Workshop** to make the future inhabitants of the planet. Earth aware the catastrophic climate change and viability of solar energy.

With this letter, we would like to express our gratitude towards **K.Saidulu** for your support towards the **Chief Coordinator of the Student Solar Ambassador Workshop** from your institute. We thank you for taking the initiative one step forward for ensuring maximum participation from your institute.

Regards,

Swati Kalwar,
Chief Executive Officer
Energy Swaraj Foundation

APPRECIATION LETTER

To,
Principal
Dr.G.Anil Kumar
Scient Institute of Technology
Hyderabad, Telangana.

Date – 06/06/2024

This is to express heart-felt thanks and sincere appreciation to Mr.G.Maruthy Raju for spreading awareness about Spoken Tutorial program and also organizing Student Development Training Program in association with the Spoken Tutorial (IT training program), Scient Institute of Technology, Telangana on various Spoken Tutorial FOSS courses.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of Telangana and across other states. Your contributions towards implementation of Spoken Tutorial Project are significant. Your excellent skills and courteous personality have helped tremendously in spreading awareness of Spoken Tutorial, IIT Bombay.

I would like to personally thank you for contributing to extend Free & Open-Source Software (FOSS) training program in the Institution. This work was done in association with the Spoken Tutorial project, IIT Bombay. As part of the National Mission on Education through ICT, funded by MoE, Government of India.

I am sure that we will continue to get your continued support for making India IT literate and spreading the project existence in Telangana and across India.

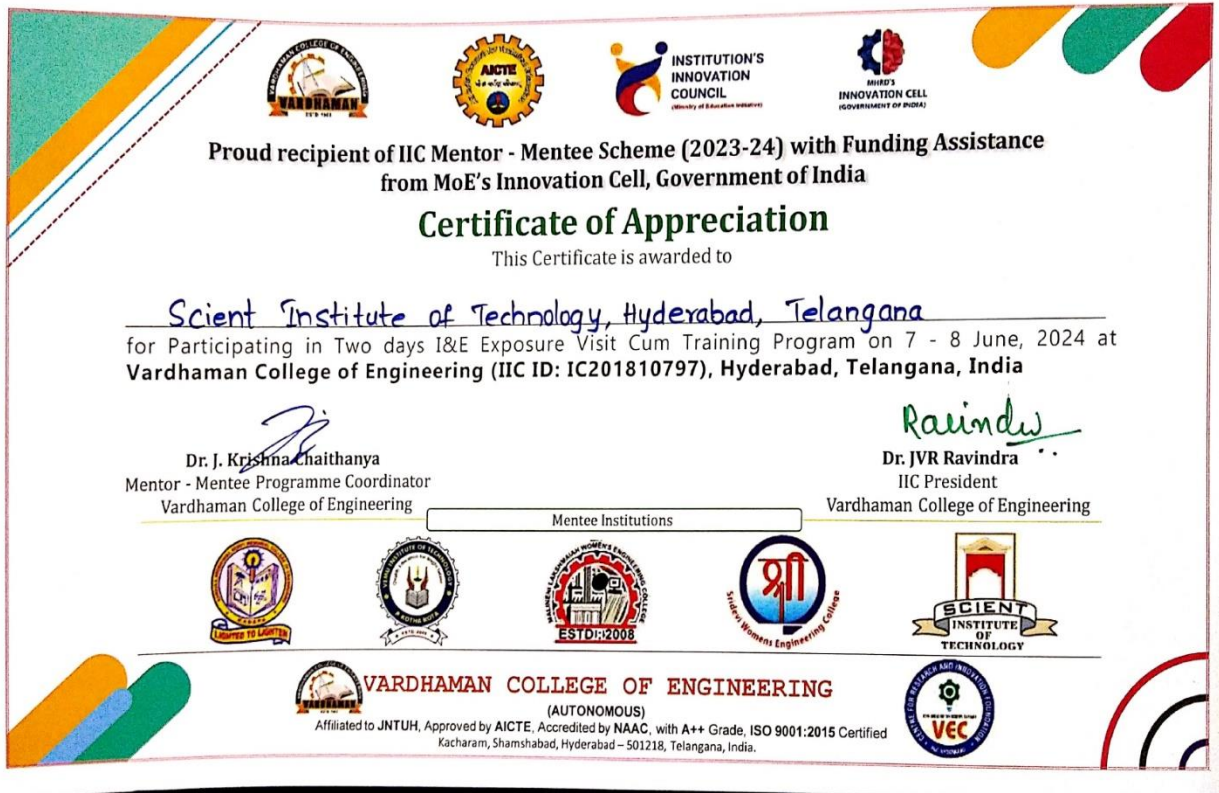

For and On behalf of
Spoken Tutorials,
Indian Institute of Technology Bombay

Shyama Iyer.

Mrs. Shyama Iyer
National Coordinator
Spoken Tutorial Project, IIT Bombay
