Scope of the MOU:

The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Skill Development Programs: First Party to train the students of Second Party on the emerging technologies to bridge the skill gap and make them industry ready. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the programs on the terms specified herein.

Mutual obligation

Both parties shall maintain confidentiality about any information, plans, discussions, strategies, or any material which shall be deemed to be confidential and marked accordingly.

Limitations and Warranties

- Neither party shall make, revise, alter or otherwise diverge from the terms, conditions or policies which are subject to this agreement without a written amendment to this agreement.
- Each party represents that they have the full power and authority to enter this MOU in general.

Validity

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period PYRAMID, the First Party will take effective steps for implementation of this MOU. Any act on the part of Training & Placement, the First Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties must discharge their obligations

Relationship between the parties

It is expressly agreed that the First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Payment Terms:

a. The second party (College) shall pay the below mentioned commercials (inclusive of taxes) per student to the first party for the entire training of all the modules mentioned above across 7 semesters.

- First year: Rs 2000/- (inclusive of taxes) per student during first & second semester
- Second year: Rs 5000/- (inclusive of taxes) per student during first & second semester
- Third year: Rs 8000/- (inclusive of taxes) per student during first & second semester
- Final year: Rs 6000/- (inclusive of taxes) per student during first & second semester

b. In case of any reasons the project gets closed before the complete closure, the second party shall proportionately pay the training cost that incurred until that time.

c. In case of an increase in the number of students, the payment shall increase proportionately as discussed.

Termination of Contract:

- This contract will be terminated based on the consensus of both parties.
- If the contract is terminated, payment due for the placement activity must be paid to the First Party by the Second party.

Memorandum of Understanding

This Memorandum of Understanding is entered on 10/4/2024 "Effective Date" by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (here in after referred to as "Edunet"); and, **Scient Institute of Technology** Having its address

(Here in after referred to as "Institution").

Whereas Edunet is an on-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to IBM Skills build For College (www.ibm.com/academic).

Whereas, Institution is a premier institution with the following details:

Established(year):	2001
Recognition, NAAC rating, ranking:	A+ 3.45
Vision:	To impart quality education in building Engineering and Management professionals striving for a symbiosis of innovative technological excellence, research and human values with global standards to meet skills, knowledge and behavior of industry and societal needs.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "MOU") witnesses the following.

- Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- Single Point of Contact (SPOC) for program coordination:** Both the Parties shall appoint a suitable person who will serve as a single point of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
- Responsibilities of Edunet and/or its program sponsors/partners:**
 - Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at

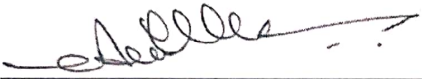

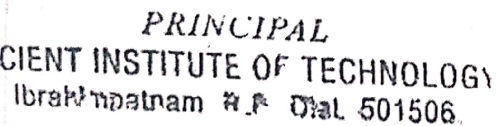

PRINCIPAL
Scient Institute of Technology
Mahimapatnam, R. R. Dr. 391 505

- a. mutually agreed schedule, to onboard them on to the program(s).
- b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stake holders as appropriate.
- d. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
- e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner.
- f. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
- g. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc.) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classroom sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
- h. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

6. Responsibilities of Institution:

- a. **Learner identification:** Institute will identify learners, volunteers and instructors whom may participate in one or more programs offered by Edunet.
- b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
- c. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- d. **Support with assessments:** Institute will ensure that assessments carried on site are proctored and professionally managed.
- e. **No fees:** Institute will not charge any extra fees from learners for participation in Edunet programs. Edunet will not charge any fees from the students/university for the program.

IN WITNESS WHERE OF, the parties here to have executed this MOU on the Effective Date.
