Rangoli Competition Report

Date: 13-01-2024

Rangoli is an art in which patterns are created on the floor or the ground using materials such as colored rice, dry flour, colored sand or flower petals. It is usually made during special occasions such as Diwali, Onam, Pongal and other Hindu festivals in the Indian subcontinent. Designs of rangoli are passed from one generation to the next generation. The objective of rangoli is to decorate our surroundings and it is considered to bring good luck. The types of design may also vary as they reflect traditions, folklore and practices that are unique to each area. The rangoli competition was conducted on 06/01/2022 and a total of 40 students participated. The winners are awarded with mementos
