The Conference

The **National Education Policy 2020** represents a paradigm shift in India's education system. This conference brings together **Directors, Deans, Principals, and Faculty** of Higher Education Institutions to explore its transformative aspects.

NEP 2020

The **National Education Policy 2020** is a landmark initiative by the Government of India aimed at transforming the country's education system to meet the demands of the 21st century. It focuses on fostering **equity, quality, and inclusivity** in education while encouraging innovation and global competitiveness.

Key Highlights of NEP 2020

- **Holistic Multidisciplinary Education:** Promotes flexible curricula, multiple entry-exit points, and emphasis on skill development.
- **Global Outreach:** Encourages international collaborations and faculty/student exchange programs.
- **Technology Integration:** Prioritizes the use of digital tools in teaching, learning, and assessment.
- **Research and Innovation:** Establishes the National Research Foundation (NRF) to strengthen the research ecosystem.
- **Equity and Inclusion:** Ensures access to quality education for all, including marginalized communities.
- **Institutional Autonomy:** Encourages higher education institutions to aim for self-governance and improved quality assurance.

Malla Reddy University, Hyderabad (MRUH)

Malla Reddy University, Hyderabad (MRUH) Malla Reddy University, established in 2020 under the Telangana State Private Universities Act No. 13 of 2020, stands as the only private university in Telangana under the Greenfield category. Sponsored by the Malla Reddy Educational Society (MRES), part of the renowned Malla Reddy Group of Institutions, the university is dedicated to addressing the emerging needs of industry and society through innovation and excellence in education.

MRUH aspires to become a Center of Excellence by fostering world-class infrastructure, forging international collaborations, designing innovative academic programs, and building strong industrial partnerships. With a commitment to quality, the university attracts highly qualified faculty and nurtures research, innovation, and talent through its vibrant ecosystem.

MRUH is at the forefront of technology and digital transformation, providing students with the tools and knowledge to excel in a rapidly changing digital landscape. The university's cosmopolitan environment attracts a diverse student community, providing exposure to global perspectives. MRUH offers programs focused on cutting-edge technologies and an innovative curriculum, empowering students to meet the challenges of a rapidly evolving world.

The university emphasizes global standards in research and publications, inspiring faculty and students to achieve academic excellence. International collaborations with esteemed universities enable student and faculty exchange, research immersion, and academic enrichment programs. Furthermore, MRUH facilitates exceptional campus placements through extensive industry tie-ups and internship programs with national and international companies.

MRUH is a hub of creativity and knowledge, preparing its students to lead in a globalized world with confidence, competence, and commitment.

Conference Objectives

This conference is aimed to empower academic leaders in higher education with insights, strategies, and collaborative opportunities for effective implementation of NEP 2020, fostering transformative education, innovation, and inclusivity.

The key objectives are

- Discuss the impact of NEP 2020 on higher education institutions.
- Identify challenges and devise strategies for implementing NEP 2020 effectively.
- Foster collaborations for research, skill development, and global partnerships.
- Promote equity, inclusivity, and multidisciplinary learning.

Key Topics

- Transforming Higher Education through NEP 2020: Challenges and Opportunities
- Multidisciplinary and Holistic Education in Higher Institutions
- Research and Innovation: Building a Knowledge Economy under NEP 2020
- Leadership and Institutional Governance in the NEP 2020 Framework
- Outcome-Based Education and Skill Development for Global Competence
- Internationalization and Industry Collaboration: Driving Future-Ready Education
- Flexible Learning Paths: Exploring Double Degree and Dual Degree Programs
- Digital Transformation in Higher Education: Tools and Best Practices
